

# Experiment 03 - Exercise 09: Multiplication Table

Tofik Ali

February 14, 2026

## Objective

Print the multiplication table for a given number.

## Input

An integer  $n$ .

## Output

Table from  $n * 1$  to  $n * 10$ .

## Approach

Use a loop from 1 to 10 and print each product.

## Time Complexity

$O(10)$  which is constant.
