

# Experiment 03 - Exercise 03: Fibonacci Series

Tofik Ali

February 14, 2026

## Objective

Generate the Fibonacci series up to **n** terms.

## Input

A positive integer **n**.

## Output

A list of the first **n** Fibonacci numbers.

## Approach

Iteratively update two variables **a** and **b** for each term.

## Time Complexity

$O(n)$ .
